

INTERNET SITES FOR ACCOMMODATION (Updated May 2011)

Average rates in Vancouver:

- *Furnished 1 bdrm \$1800-\$2000/mth*
- *Furnished 2 bdrm \$2500-\$3000/mth*

Please note that if the accommodation has no pictures, you should see it before signing any occupancy agreements.

If you are basing your decision to rent accommodation based on photos, you should ask the landlord/ rental agency to guarantee that the apartment is clean, dry and mold free. People have had bad experiences with renting places based on photos alone.
