

Living with Myeloma: Active and Informed

An afternoon of education and networking for people diagnosed with myeloma, their family, friends and other supporters. A panel of speakers will discuss topics related to basic myeloma information and strategies for living as actively and fully as possible with this illness.

Come learn and connect with healthcare and patient experts!

Speaker Panel: John Shepherd, MD, FRCPC, Hematologist
Susan Munkekov, BSR., Physiotherapist
Carol Critchley, BSR., Occupational Therapist
